Information concerning the EU grant for attending STACS'97

Based on the EU Human Capital and Mobility incentive financial support to attend STACS'97 can be given to a limited number of participants. The support will be in form of significantly reduced registration fees. Very few grants will also be available to support travel expenses.

The grants will be given on a first come first served basis according to the specific EU rules. Application forms can be obtained from the organizers by sending

an E-Mail to `stacs97@informatik.mu-luebeck.de` or
a fax request to (+49) 451 7030-438.

Please provide your address including telephone and fax number. The complete application form must be received by the organizers by

January 10, 1997.

General information about the EU rules:

1. You must be a citizen of a European Union Member State or have been living and working in research in such a state for at least one year.
2. You must be a "young researcher": according to the EU this means you have got the PhD and you are not older than 35 years (male), resp. 40 years (female).

   In particular, female researchers and those from less favoured regions of the EU shall be supported.

   PhD students with reasonable research experience may also qualify.
3. No more than one third of the supported participants may come from the same European country.
